

The IFSP-Funding Program provides direct assistance to individuals and families who are on Virginia's DD Waivers Waiting List (the Waitlist). Individuals with a developmental disability who are on the Waitlist or their family member/custodial guardian are eligible to apply. IFSP funds cover the cost of a variety of items that will help an individual who is living in a community setting.

Each year, the Individual and Family Support Program asks people on the Waitlist and their families for their input. Your answers will help us improve the quality of our programs (including IFSP-Funding), so tell us what's important to you! The survey is open until 11:59 p.m. on Friday, October 11th. It should take about 10 minutes to complete.
